“ REGALE	“ Regal “	75c “	7.50 60.00

## POT ROSES FOR FALL PLANTING

Fall planting of roses has received a good deal of attention recently. Where plants are pot-grown, the growth can be controlled, thus producing well-ripened wood, and making conditions ideal for the purpose of setting out at the present time. We have a good variety grown in this way which can be supplied now or later. Price—\$1.00 each.

EDWARD W. BREED, Four Ponds Nurseries, Clinton, Mass.
